

We Offer:
Information Education Networking

MISSION

Incident Prevention Association of Manitoba (IPAM) supports its members through safety promotion, resource networking, education, public awareness and industry partnerships.

VISION

IPAM supports the promotion of Workplace Safety & Health culture through prevention strategies in Manitoba.

OBJECTIVES and PURPOSE:

- To devise ways and means of improving incident prevention methods and education.
- To function as a body from which incident prevention information may be disseminated.
- To co-operate with other organizations in incident prevention and occupational health.

Members benefit from scheduled lectures, round table discussions, workshop sessions, tours, conferences and member benefits discount program
